

Legislative Internship

Are you...

Interested in Government?

Passionate about Community Service?

Planning a Career in Business or Public Relations?

State Representative Carol Sente is seeking energetic students from the 59th District to assist her legislative staff with daily tasks, community outreach, and economic development efforts. Working in a legislative office can be a great experience for students interested in government, community service, public relations, or marketing/sales. Students will have opportunities to develop a wide variety of skills by assisting legislative staff with community outreach, district research, event planning, and data management. In addition, students may be invited to attend meetings and assist in constituent service.

Applicants must be able to demonstrate the following:

- ✓ *Verbal and written communication skills*
- ✓ *Attention to detail*
- ✓ *Ability to take direction while working independently*
- ✓ *Respect for deadlines*
- ✓ *Organizational Skills*
- ✓ *Independent initiative on projects*
- ✓ *Ability to multi-task in a fast paced environment*
